

## FAQ's

**Question:** What do I do if my child has a medical problem and the office is closed?

**Answer:** We provide our patients access to medical care 24 hours a day and 7 days a week. If you need medical advice after the office is closed, call us, follow the instructions and the on-call physician will be paged to return your call.

We also refer our patients to the Pediatric Urgent Care. The Urgent Care is ready to care for your child's medical needs when our office is closed. They are open weeknights, weekends, and holidays. For more information call:

**South area location:**  
916-682-7777

**Rancho Cordova location:**  
916-852-7770

**Question:** What if I just need some advice and not really an appointment?

**Answer:** We encourage that! Please call our office, our staff will take a detailed message about your concern, and your call will be returned by one of our Nurses or the Pediatrician on duty.

**Question:** Choosing the right Pediatrician for my child is very important to me. The atmosphere, environment and staff are also important. What can I expect from choosing Walton Pediatrics?

**Answer:** Walton Pediatrics offices are designed with your child in mind and

are kid approved! We have a very large, stroller friendly waiting area for our patients and a separate area for our Newborn babies. From our waiting area with its large salt water aquarium filled with bright fish, to our extensive collection of Dr. Seuss art, your child will be comfortable and excited to visit! Our warm and friendly staff takes pride in assisting you and your child's every need.
